

OUR LADY OF RANSOM

**13th Sunday of the Year – Year B –
Divine Office Wk 1 – 26th /27th June 2021**

Simon's funeral was **not** beautiful. The vicar got it wrong. Very wrong. Lots of mentions of Simon's sufferings and unhappiness, no mention of his joy. Simon was a 60 year old man with Down's Syndrome. In no way did he suffer because of his syndrome, (his family had had issues earlier –hence the vicar's error, I think), but in no way did he himself 'suffer' as his sister told me. He was loved and joyful. He was great fun. We had a great rapport – his sister thanked me. All so special.

Such imprudent judgements about Simon's "sufferings" almost make a mockery of real sufferings that we all go through. No-one knows why pain and suffering happen. But we do know that in facing terrible sufferings, we are called to try and find meaning from and within them. Simon's family found meaning in his life, despite earlier issues. Can we find God somewhere in our agonies, and let him use them for the good? I so admire and am inspired by those who can and do. (Gaze at the cross, it's great prayer for help with this). Our religion should be doing just that. Or we are in serious trouble – we shut down. Great religion shows us what to do with the absurd, tragic, nonsensical, unjust. Or religion is highly suspect.

Jesus walks right into the thick of human suffering. And gives it meaning. It appears that for many, suffering is the only way the arrogant ego is battered. Our egocentric needs to explain, control, manage, fix and be right, are all shaken through suffering. Jairus' high religious status is cast aside. He is desperate. His ego is battered. Does he care? Only now his faith comes alive. The haemorrhaging woman also desperate – shows her faith. Both *desperately need* Our Lord.

It seems that sometimes we too have to be desperate before real faith can show itself, then, and only then can God enter in and sort it for us. Give it meaning. Or we still think we can somehow do it all ourselves – ego. (Ego = *Edging God Out*).

As some people say, we become 'better' or 'bitter' Or, maybe, "no pain, no gain"

The genius of Jesus is that he uses our sufferings, desperations, failures, fears, tragedies and sins to bring us to God. Now the field is completely levelled. No-one is more important than anyone else. Wonderful!

God Bless, Fr. Paul.

MOBILE PHONE UPGRADE SCAM

Summary

The NFIB are aware of an ongoing scam where consumers are being cold called by individuals impersonating employees of legitimate mobile network operators and suppliers.

Victims are offered early handset upgrades, or new contracts, at significant discounts. Once customers have been convinced that the deals are genuine and agree to proceed, suspects then ask for their online mobile account credentials, including log-ins, address and bank account details.

Suspects then place orders with genuine companies on behalf of victims, however select a different handset to that requested and have it shipped to the customer's address.

Upon receipt, suspects assure victims that this has been an error and instruct them to 'return' the handset to a different address not affiliated to the mobile company. These addresses are usually residential.

Upon intercepting the 'returned' handsets, the suspects cease contact and victims find themselves stuck with no phone and liable for the entirety of a new contract taken out in their name.

The NFIB have received over **300** reports since January 2020 with reported losses in excess of **£86,000**.

What you need to do

- Cold calls about mobile upgrades and contracts - If you're unsure that the person calling you is an official representative of the company they claim to be from, hang up and do not reveal any personal information.
- Only contact your mobile network provider on a number you know to be correct. For example, 191 for Vodafone customers, 150 for EE customers, 333 for Three customers, 202 for O2 customers, 4455 for Tesco Mobile, 789 for Virgin Mobile and 150 for Sky Mobile.
- If you receive a device that you did not order or expect, contact the genuine sender immediately. The details for this will be within the parcel.
- NEVER post a device directly to a given address. All genuine Mobile Network Operators would send out a jiffy bag for you to return without you incurring additional cost.

BE ONLINE SHOPPING SAVVY

IS THAT CAR REALLY FOR SALE?

In recent weeks, Essex Police has seen a increase in residents purchasing vehicles online and paying the full amount without ever having seen the car in person. When they arrive to collect the vehicle, it does not exist.

TOP TIPS

- **Always view and test drive the car before buying** - arrange to view in the daylight, preferably when it's dry. Make sure you're insured and test drive the car for about 15 minutes on different types of road.
- **Buy from an established firm or trusted seller** - you can look for a trade association sign or for sellers that have been inspected by an independent engineer or motoring organisation.
- **Use secure method of payment** - don't pay anything until you have seen the car. Once you are satisfied with what you are buying, use a secure method of payment such as a credit card to ensure you are protected if something goes wrong.

BOGUS BANK TRANSFERS

Essex Police have also received reports of residents selling electronic items online such as mobiles and laptops to suspects who attend the address and request to pay by bank transfer. They will pay on the doorstep claiming that it can take up to 2-3 hours for the payment to go through. The payment never arrives by which time the suspect has already left with the goods.

TOP TIPS

- **Arrange an instant payment** - consider using cash or using an instant payment service.
- **Wait for the payment to go through** - most transfers should be quite quick, don't let the item go without knowing you have received the payment.

Scams.... Social Media. INNOCENT OR CRIMINAL TOOLKIT?

Essex Police are reminding residents that what appear to be innocent games posted on social media have the potential to allow criminals access to your personal data—ultimately allowing them to get their hands on your money.

Local policing teams have recently identified an increase in Facebook posts encouraging users to post their 'Film Star Name' using a pet's name and mother's maiden name, or asking questions such as what was number one in the charts when you were 10. These seemingly harmless questions can provide criminals with lots of personal information that can assist them with stealing your identity. For example:

What is your favourite film star's name? First Pet? Mother's Maiden Name?

What was number one in the charts when you were 10? Allows criminals to work out your Date of Birth

What car did you pass your driving test in? Details of first car

Describe the city you were born in with a clue? Town of birth

All of these are potentially answers to bank account security questions. Remember to Take Five before posting personal details on social media and make sure to check your security settings so that your posts can only be seen by those who you want to see them!

Holiday Scams .

Please be careful when booking holidays. Be vigilant. Fraud is on the increase. Criminals are becoming increasingly sophisticated through impersonating companies and flight comparison websites. Fake accommodation is rising.

ALWAYS check the address is legitimate, make sure logos (pictures) or names are not slightly altered eg. going from .uk.co. to .org .

Please (online) research and don't just rely on one review. Make sure as far as you can the company is credible. Is it an ABTA/ATOL member? Does it have the proper logo/name?

Check their websites if in doubt. Pay safe, preferably by credit card where possible. Avoid paying individually into anyone's personal bank account. Check paperwork. Study receipts, invoices and terms and conditions.

Be wary if the company doesn't provide any paperwork at all when you book.

If a holiday club or time share, get a solicitor to thoroughly vet the contract first. Especially if first time.

Use your instincts: if a deal sounds too good to be true, it probably is!

For information: £2.2 (million pounds) was lost to fraudsters in 2020/1. An average of £1,242 a per person (victim).Ouch!
